

Job Opportunity

Child & Adolescent Behavioral Health

Position: Clinical Mental Health Therapist with SUD Specialty

Overview

Now more than ever, mental and behavioral health care for kids is needed in our community. Child & Adolescent Behavioral Health is looking to meet the growing demands by hiring full-time Clinical Mental Health Therapist with SUD Specialty.

As a member of our team, you will help children, youth and families successfully meet life's challenges by offering the support they need. We are a collaborative network of child therapists, psychiatrists, PMHNPs, case managers, school staff, community partners and other mental health professionals working toward a common goal. Together, we provide a positive environment for kids and their families to find health, hope and happiness.

We are looking for enthusiastic individuals to join one of the most innovative therapeutic mental health programs in Stark County. We offer a compassionate, supportive, accountable work environment to help you grow your career, along with a comprehensive benefits package that includes generous and affordable medical, dental, life insurance, retirement and paid time off.

Job Duties/Description

Child and Adolescent Behavioral Health (C&A) is looking for a team member in our Substance Use Disorders program. C&A provides a supportive, flexible, and excellent learning/work environment in addition to superior benefits for our staff. Job duties include:

- Individual (and/or Family Therapy) for youth diagnosed with both mental health and substance use disorders. Opportunities may include conducting Diagnostic/Mental Health/SUD Assessments, IOP and Group Therapy, and Mental Health/SUD Consultation & Prevention.
- Position may be school-based, office-based and/or community-based, but likely to include services in each of these settings.

- Populations served may range from early adolescents to transition-aged adolescents and young adults with a wide range of diagnoses and presenting problems.
- Flexibility to work after school and evenings (some evening hours are required to accommodate family schedules and ensure family involvement in services).
- Experience/skill (or willingness to obtain skills) in working with a variety of populations including early adolescents, traumatized and victimized youth, transition-aged adolescents, youth with sexual behavior problems, chronic & severely emotionally/behaviorally impaired youth.
- Ability to engage a wide range of clients and parents, including those from diverse populations, and those uncertain about the value and/or necessity of MH/SUD services.
- Ability to work effectively with other professionals both within and outside the mental health/SUD profession.
- Experience/skill (or willingness to obtain skills) in applicable modalities and interventions, including, but not limited to, evidenced-based /evidenced-informed practices as required.
- Training and practice experience that is “trauma-informed” as well as background in such approaches as Feedback Informed Treatment or modalities such as Trauma–focused CBT, Motivational Interviewing, DBT, and others matched to our population are valuable.
- Must be culturally competent and willing to work with clients and families within various and diverse populations.

Qualifications

- Licensed in the state of Ohio to provide assessment and therapy via the Ohio Counselor, Social Worker, and Marriage and Family Therapist Board, or the Ohio Board of Psychology. Must possess at least a Master’s Degree(s) in Psychology, Counseling, Social Work, or the equivalent.
- Credentialed as, or eligible to be credentialed as, a LCDC 2 or 3, or LICDC, by the Ohio Chemical Dependency Professionals Board.

Salary Range: Based upon licensure status and direct care hours provided.

Hours: Flexible hours, Full-time 32 or 40 hour/week position
