

Get to know your school-based therapist

Rosina Muoio, MA, LPC

Meet Child and Adolescent Behavioral Health's Rosina Muoio who is the school-based therapist at AIM, Arts Academy and Gibbs Elementary School.

Rosina, who graduated from Canton Central Catholic High School, went on to earn her bachelor's degree in sociology: applied family studies and her master's degree in counseling and human development from Walsh University.

Rosina said the best part of her job is, "working with kids and watching them grow and learn".

Hobbies: going for walks, volunteering, listening to music and baking

Favorite book: *The Harry Potter Series*

Favorite movies: *The Harry Potter Series*

Child and Adolescent Behavioral Health's (C&A's) school-based consultation services include behavioral health screening and referral, crisis intervention, student social/emotional skill development and behavioral health and wellness education, community linkage and referrals, parent/guardian engagement/education, CARE team meetings and collaboration with school staff. When indicated, students may receive formal diagnostic and treatment services, provided at the school, by the school-based therapist.

- Students are referred to counseling by school staff and CARE teams to screen for mental health or substance issues
- Parents are asked to be engaged in the process
- C&A will assist with linking families to community resources as needed.
- C&A's clinical staff collaborates closely with school staff to enhance a supportive social/emotional school environment
