

Job Opportunity

Child & Adolescent Behavioral Health

Peer Advocate

Overview

Now more than ever, mental and behavioral health care for kids is needed in our community. Child & Adolescent Behavioral Health is looking to meet the growing demands by hiring full-time Peer Advocate.

As a member of our team, you will help children, youth and families successfully meet life's challenges by offering the emotional and behavioral health support they need. We are a collaborative network of child therapists, psychiatrists, PMHNPs, case managers, school staff, community partners and other mental health professionals working toward a common goal. Together, we provide a positive environment for kids and their families to find health, hope and happiness.

We are looking for enthusiastic individuals to join one of the most innovative therapeutic mental health programs in Stark County. We offer a compassionate, supportive, accountable work environment to help you grow your career, along with a comprehensive benefits package that includes generous and affordable medical, dental, life insurance, retirement and paid time off.

Job Duties/Description

Provide positive peer role modeling, emotional support, and life skills to youth and young adults with mental, emotional, and/or behavioral challenges in our community.

Qualifications

Ideal candidate is a young adult who has been a past recipient of services in the child-serving system (mental health, foster care, juvenile justice). Must have desire and ability to serve as a positive role model and mentor to youth in need of direction and support. Candidate must have a valid driver's license, auto

insurance and use of personal vehicle. Peer certification preferred, or you will be required to attend trainings to become a certified peer.
