

Job Opportunity

Child & Adolescent Behavioral Health

Peer Navigator

Overview

Now more than ever, mental and behavioral health care for kids is needed in our community. Child & Adolescent Behavioral Health is looking to meet the growing demands by hiring a full-time Peer Navigator.

As a member of our team, you will help children, youth and families successfully meet life's challenges by offering the emotional and behavioral health support they need. We are a collaborative network of child therapists, psychiatrists, PMHNPs, case managers, school staff, community partners and other mental health professionals working toward a common goal. Together, we provide a positive environment for kids and their families to find health, hope and happiness.

We are looking for enthusiastic individuals to join one of the most innovative therapeutic mental health programs in Stark County. We offer a compassionate, supportive, accountable work environment to help you grow your career, along with a comprehensive benefits package that includes generous and affordable medical, dental, life insurance, retirement, and paid time off.

Job Duties/Description

- Complete identified social determinants of health screening tool with individuals seeking service at the agency and work with those individuals to identify up to 3 top SDOH barriers to engaging in services
- Provide connection to needed services in the community to address identified barriers
- Ensure that connections provided are viable and connection occurs
- Engage in person-centered care and work to ensure engagement in treatment services as evidenced by attendance at identified number of sessions
- Work with the individuals and their ongoing treatment providers to provide a hot handoff to ensure continued service delivery engagement
- Engage with individuals and their family/natural supports seeking behavioral health services at the provider agency as referred to the peer navigator

- Receive referrals from cross-system partners for individuals the referral source has identified as high risk for non-engagement to assist with engaging in services or having high SDOH needs
- Provide outreach and active engagement in person and in the community to people referred/identified
- Share their own experience with behavioral health when appropriate with the person referred to engender an understanding of a common experience and sell hope
- Utilize a client-centered approach with strong relationship building skills to work with diverse populations.
 - Complete documentation, tracking, and data outcomes per agency procedure.
 - Adhere to agency policies and procedures
 - Related responsibilities as assigned.

Skills and Experience

- Person in recovery and/or with lived experience possessing a desire to help others, and an ability to serve as a positive role model and promote recovery
- Knowledge of services, programs, and resources available in Stark County to assist families in meeting the challenges of their children's needs.
- Ability to work effectively with other professionals and different disciplines, both within and outside the mental health profession, to meet the various needs of children and families.
- Knowledge of 42 CFR and HIPPA Regulations

Qualifications

Peer certification or ability to attend trainings to become a certified peer.

Salary Range/Compensation

Based certification status and/or experience.

Hours

Full-time. Some evening hours required.
