

Get to know your Qualified Mental Health Specialist

Amber Nash, BA, QMHS

Meet Child and Adolescent Behavioral Health's Amber Nash, who is a Qualified Mental Health Specialist covering the school districts of Alliance and Louisville City schools and Lake and Marlinton Local schools.

Amber, who graduated from Mathews High School, went on to earn her bachelor's degree in elementary education (K-6) and minored in special education (K-6) at the University of Charleston.

Amber said, the best part of her job is, "being able to build positive relationships with children and their families. Helping children find their true selves and empowering them to shine bright."

Hobbies: running, hiking, painting, skiing, anything outdoors

Favorite book: *Where the Crawdads Sing* by Delia Owens

Favorite movies: *Gone with the Wind*

A Qualified Mental Health Specialist works with clients to:

- Resolve conflict with others
- Manage emotions including anger, minor social or performance anxiety, disappointment, frustration, occasional sadness
- Coping with change, uncertainty, death, loss
- Positive parenting strategies and support
- Linkage to mental health services and other indicated medical/support services
- Linkage to natural and community supports
- Reinforcement and rehearsal of skills taught in therapy.

A therapist is indicated when the presentation of symptoms warrants a clinical (medical) diagnosis and are leading to impairment of daily functioning:

- Significant anxiety
- Depression
- Significant oppositional/conduct behavior
- Trauma
- Suicidal ideation or self-harm behaviors
- Homicidal ideation or harming others
- Substance abuse
- Resolve the complex roots of each individual's client's unique struggles
