

Get to know your Qualified Mental Health Specialist

Emily Sitzman, BA

Meet Child and Adolescent Behavioral Health's Emily Sitzman, who is a Qualified Mental Health Specialist in the Plain Local School District.

Emily, who graduated from Louisville High School, went on to earn her bachelor's degree in community/clinical psychology and minor in sociology from Walsh University.

Emily said, the best part of her job is, "meeting other people of all different backgrounds. I love hearing about other people's experiences because they are all unique!"

Hobbies: I enjoy writing short stories, taking my dogs for walks, reading and playing video games.

Favorite book: *Wicked*

Favorite movies: *Knives Out*

A Qualified Mental Health Specialist works with clients to:

- Resolve conflict with others
- Manage emotions including anger, minor social or performance anxiety, disappointment, frustration, occasional sadness
- Coping with change, uncertainty, death, loss
- Positive parenting strategies and support
- Linkage to mental health services and other indicated medical/support services
- Linkage to natural and community supports
- Reinforcement and rehearsal of skills taught in therapy.

A therapist is indicated when the presentation of symptoms warrants a clinical (medical) diagnosis and are leading to impairment of daily functioning:

- Significant anxiety
- Depression
- Significant oppositional/conduct behavior
- Trauma
- Suicidal ideation or self-harm behaviors
- Homicidal ideation or harming others
- Substance abuse
- Resolve the complex roots of each individual's client's unique struggles
