Meet Child and Adolescent Behavioral Health’s Erica Labriola, who is a Qualified Mental Health Specialist in the Canton City School District.

Erica, who graduated from St. Thomas Aquinas High School, went on to earn her bachelor’s degree in human services from the University of Phoenix.

Erica said, the best part of her job is, “making an impact in the community while working with children.”

**Hobbies:** snowboarding  
**Favorite movies:** Pretty Women

---

A Qualified Mental Health Specialist works with clients to:

- Resolve conflict with others
- Manage emotions including anger, minor social or performance anxiety, disappointment, frustration, occasional sadness
- Coping with change, uncertainty, death, loss
- Positive parenting strategies and support
- Linkage to mental health services and other indicated medical/support services
- Linkage to natural and community supports
- Reinforcement and rehearsal of skills taught in therapy.

A therapist is indicated when the presentation of symptoms warrants a clinical (medical) diagnosis and are leading to impairment of daily functioning:

- Significant anxiety
- Depression
- Significant oppositional/conduct behavior
- Trauma
- Suicidal ideation or self-harm behaviors
- Homicidal ideation or harming others
- Substance abuse
- Resolve the complex roots of each individuals client’s unique struggles
