Overview

Now more than ever, mental and behavioral health care for kids is needed in our community. Child & Adolescent Behavioral Health is looking to meet the growing demands by hiring a full-time School-Based Clinical Therapist.

As a member of our team, you will help children, youth and families successfully meet life's challenges by offering the emotional and behavioral health support they need. We are a collaborative network of child therapists, psychiatrists, PMHNPs, case managers, school staff, community partners and other mental health professionals working toward a common goal. Together, we provide a positive environment for kids and their families to find health, hope and happiness.

We are looking for enthusiastic individuals to join one of the most innovative therapeutic mental health programs in Stark County. We offer a compassionate, supportive, accountable work environment to help you grow your career, along with a comprehensive benefits package that includes generous and affordable medical, dental, life insurance, retirement and paid time off.

Job Description/Duties

- In addition to conducting Individual and Family Therapy, duties and opportunities may include conducting Diagnostic/Comprehensive Assessments and Mental Health Consultation & Prevention.
- Populations served range from Kindergarten through 12th grade with a wide range of diagnoses and presenting problems.
- Ability to engage a wide range of client and parents, including those from diverse populations, and those uncertain about the value and/or necessity of MH services.
- Ability to work effectively with other professionals both within and outside the mental health profession.

Qualifications

- Licensed in the State of Ohio to provide assessment and therapy via the Ohio Counselor, Social Worker, and Marriage and Family Therapist Board, or the Ohio Board of Psychology.
- Must possess at least a master's degree(s) in Psychology, Counseling, Social Work, or the equivalent.

Why Child & Adolescent Behavioral Health
