

Get to know your school-based therapist

Katelyn Hampu, LPC, CDCA

Meet Child and Adolescent Behavioral Health's Katelyn Hampu, who is the school-based therapist at Massillon Middle School.

Katelyn, who graduated from St. Joseph Academy (Cleveland), went on to earn her bachelor's degree in behavioral health and science and minor in entrepreneurship, and her masters's degree in human development and counseling from Walsh University.

Katelyn said, the best part of her job is, "with kids, getting to know their stories, and being there for them through the good and the bad."

Hobbies: Dancing, reading, writing, weightlifting, baking

Favorite book: *The Series of Unfortunate Events Series*

Favorite movies: *Perks of Being a Wallflower*

Child and Adolescent Behavioral Health's (C&A's) school-based consultation services include behavioral health screening and referral, crisis intervention, student social/emotional skill development and behavioral health and wellness education, community linkage and referrals, parent/guardian engagement/education, CARE team meetings and collaboration with school staff. When indicated, students may receive formal diagnostic and treatment services, provided at the school, by the school-based therapist.

- Students are referred to counseling by school staff and CARE teams to screen for mental health or substance issues
- Parents are asked to be engaged in the process
- C&A will assist with linking families to community resources as needed.
- C&A's clinical staff collaborates closely with school staff to enhance a supportive social/emotional school environment
