Get to know your **Qualified Mental Health Specialist**

# Megan Miller

---

Meet Child and Adolescent Behavioral Health's Megan Miller, who is a Qualified Mental Health Specialist covering the school districts of Canton City, Perry Local and Massillon Boys and Girls Club.

Megan, who graduated from New Philadelphia High School, went on to earn her associate's and is working on her bachelor's degree in human development and family studies (family life concentration) and minor in non-profit from Kent State University.

Megan said, the best part of her job is, "making a difference in children's lives."

**Hobbies:** Softball, mom of four children

**Favorite book:** *Heaven is for Real*

**Favorite movies:** *Crazy/Beautiful*

---

A Qualified Mental Health Specialist works with clients to:

- Resolve conflict with others
- Manage emotions including anger, minor social or performance anxiety, disappointment, frustration, occasional sadness
- Coping with change, uncertainty, death, loss
- Positive parenting strategies and support
- Linkage to mental health services and other indicated medical/support services
- Linkage to natural and community supports
- Reinforcement and rehearsal of skills taught in therapy.

A therapist is indicated when the presentation of symptoms warrants a clinical (medical) diagnosis and are leading to impairment of daily functioning:

- Significant anxiety
- Depression
- Significant oppositional/conduct behavior
- Trauma
- Suicidal ideation or self-harm behaviors
- Homicidal ideation or harming others
- Substance abuse
- Resolve the complex roots of each individual's client's unique struggles
